Correction of the reasons for allowance

The Final Rejection (signed 10-15-03) contains a typographical error. Lines 5-6 of page 4 should have read "...Therefore the Applicants' 'immersing' has not been interpreted using Morita's definition for immersing."

As indicated in the reasons for allowance, since Morita uses a non-common definition for immersing, Examiner has not interpreted Applicant's immersion in light of Morita's usage of the term "immerse". Examiner has interpreted the present claims solely in light of Applicant's specification and in view of the common usage of the terms of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
